

Experiential Learning Theory Bibliography

Recent Research 2005-2006

Prepared by Alice Kolb & David Kolb

The bibliography contains recent references on experiential learning theory from 2005-2006. The bibliography is in Word and formatted in APA style. Many research studies listed in the bibliography can be accessed through research databases such as: Social Science Citation Index, MEDLINE, Education Abstract, Dissertation Abstract, ERIC Document, Google Scholar and others. For online access to the bibliography, the Learning Style Inventory and other experiential learning resources go to www.learningfromexperience.com or www.hayresourcesdirect.com. Please send any additions and corrections to dak5@msn.com
